

REGION II

JOHN THROM

For

Treasurer

Why should you elect me?

- I am the Director of Finance for the Associated Students of Sierra College.
- As the Director of Finance, I oversee an annual budget of over \$250,000 with a reserve of almost a \$1,000,000 for our Student Senate.
- While being Director of Finance, we have advocated for a new 350-450 bed student housing complex on our campus and the project was approved by our Board of Trustees.
- I'm President Emeritus of a Home Owners Association (HOA) with an annual budget of over \$3 million. As President of the board, I was able to implement a 25-year maintenance plan that has saved the HOA over \$100,000 dollars.
- I have worked at the state capital under two gubernatorial administrations, while there we processed legislation for both the Senate and Assembly.

Issues that I am most interested in or concerned about solving.

1. The high cost of living for students.
2. The lack of affordable housing for students.
3. The high cost of textbooks.

The things that I'd like to work on as Regional Treasurer.

- A. Advocating for more money for scholarships and grants.
- B. Advocating for more community colleges to have student dorms.
- C. Advocating for more free and low-cost textbook options.
