

Advisor Newsletter

Announcement

Dear Advisors,

First and foremost, I want to extend a heartfelt thank you to everyone who attended Advocacy Academy last month in Sacramento. With over 400 students and advisors in attendance, the event was truly vibrant, energetic, and empowering. We hope you had an enjoyable experience, and if you weren't able to join us this year, we look forward to welcoming you at the General Assembly in spring!

For those of you who attended, if you haven't yet, please take a moment to complete the **brief survey**. Your feedback is invaluable in helping us improve this event year after year.

Additionally, to ensure the accuracy of our records, we kindly ask that you complete the **stipend survey** if you haven't already. While many students have submitted their responses, we've only received 35 so far. Your participation is crucial to this process, and we greatly appreciate your support in helping us gather the necessary data.

As we wrap up the year, this will be the final advisor newsletter of 2024. I sincerely hope you've had a rewarding year and that you're looking forward to a well-deserved winter break.

Thank you once again for your unwavering dedication and commitment to providing students with a positive and impactful experience. Your support makes all the difference!
