RESOLUTION SUBMISSION

Timeline and Information

Who can Sponsor my Resolution ?

You can bring your resolution to your SBA for sponsorship and seek feedback from them. They may be able to provide some pertinent insight regarding the needs of your own campus and how the resolution might act to target these needs.

SSCCC Regions/Caucuses SSCCC regions and caucuses can also sponsor resolutions. Taking a resolution to these groups will ensure that the feedback you receive takes into account regional and/or issue-specific needs.

SSCCC Board of Directors Finally, the Board of Directors may sponsor resolutions. As the Board of Directors is comprised of students from across the state, input will likely highlight statewide issues and the needs of students outside of your own region.

What is a Resolution?

A resolution is an official expression of the opinion or will of a legislative body. The practice of submitting and voting on resolutions is a typical part of business in Congress, state legislatures, and student government associations. - Human Rights Campaign
