## Letter from your RAD

# Lisa Baker

Hello Delegates, Students, and Friends of Region I

My name is Lisa Baker. As Regional Affairs Director for Region I (RAD I), I am proud to be representing and helping mobilize California's far north for the 23-24 academic year.

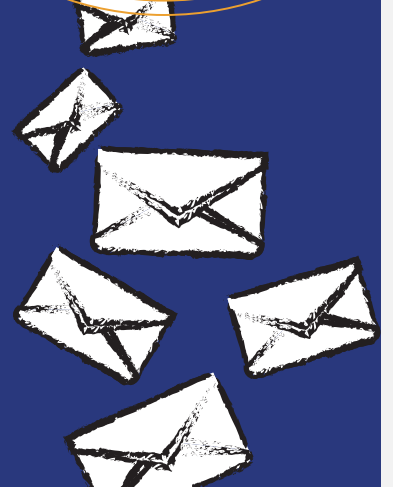

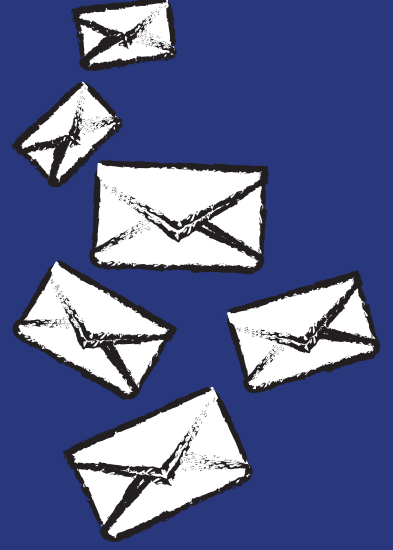

I served as the delegate for Mendocino College last year, and I was so excited to learn how much influence community college students have on their campuses, in their communities, and throughout the state of California. I wanted to be a bigger part of that and to help pave the way for more students like me, so I was so honored to be elected to serve as your RAD this year.

As our connections grow in the post-pandemic environment, I hope to instill that excitement in more students in our region. Whether we want to amplify student voices, learn governance, stay up to date on issues, or gain personal development, I am thrilled to be supporting Region I. My goal as RAD is to help the seven northernmost community colleges in California to become more interconnected and more engaged with statewide dealings within this academic year.

I look forward to the rest of this academic year with you.

With gratitude,

Lisa Baker  
Regional Affairs Director, Region I
