Advisor Newsletter

Announcement

Hello Advisors,

Welcome back! I hope you enjoyed your well-deserved time off and are feeling refreshed and ready for the upcoming academic term. As you settle back into your routines, I wanted to take this opportunity to inform you about a new initiative we are launching to enhance our communication and collaboration.

You should have received a newsletter in July introducing this new initiative. These biweekly newsletters are designed to keep you updated on a range of important topics related to SSCCC. With that said, we are thrilled to announce that SSCCC has secured 40 student slots for the upcoming [DEIAA Conference](#) in Irvine, California, from September 25-27. This is an incredible opportunity for our students to engage with diversity, equity, inclusion, accessibility, and anti-racism topics.

What You Need to Do:

1. Review the event details [here](#).
2. Check with your college to see if there are available travel funds for student attendance.
3. If your college can send students, compile a list of interested students.
4. Send the list to us, and we will handle their registration, which is completely free of charge.

Vacant Positions

We are also looking for student interns in the following regions:

- [Region IV](#)
- [Region X](#)

For more information on the intern positions, please see the [job description](#).

Delegate Verification

This is a friendly reminder to identify a delegate and an alternate delegate as soon as possible to ensure your college is represented during our September Delegate Assembly. If you haven't done so yet, please prioritize this task. Once you have identified them, complete the [Delegate Verification Form](#). Our interns will be reaching out soon to assist you with this process or to gather the necessary information.

Events

Please encourage your students to join us for these two important events:

SBA Webinar: Brown Act, Robert's Rules, and 9+1

Are you seeking training for your new student leaders as they begin the year? We will be hosting an SBA Webinar on Brown Act, Roberts Rules, and 9+1. All students are invited. Ensure your student leaders begin the year with a background in these three important areas.

Date: August 29, 2024

Time: 3:00 PM - 5:00 PM

Delegate Mandatory Training

This year, the SSCCC will be hosting a training for all delegates who have been verified or interested in serving as a delegate. This webinar will share with delegates their roles and responsibilities, as well as provide some background information about SSCCC, Robert's Rules, and Brown Act. If your delegate has been verified, they are required to attend this meeting as part of their responsibility. Please also invite students who are not the delegate but are interested in serving as one in the future. This will provide them with what to expect if they are appointed/elected to serve.

Date: September 5, 2024

Time: 3:00 PM - 5:00 PM
