LETTER FROM REGION X RAD

Hello Everyone,

I'm your Regional Affairs Director (RAD) Leonardo Vanegas. Being elected this past May, I've officially been on the job since July 1st, 2023. I'm very excited to continue representing our fellow classmates, now at the state level. Before I was R.A.D. of the Region, I served as the Student Body President of Southwestern College (2022-2023) and as an ASO Senator (2021-2022). I first learned about the SSCCC when I was appointed as a Delegate for my college, a position I held for 2 years before my term as R.A.D. The SSCCC and Region X are here to help you and your college succeed. Some of my goals for this year is working communication between the colleges, being a resource for student governments, engaging on issues that affect the region, and leaving a strong grounded region for the next generation of student leaders. I'm looking forward to serving this year in making sure Region X is the best region it can be. I have the honor to be your obedient servant.

Leonardo Vanegas

Regional Affairs Director, Region X

HISPANIC HERITAGE MONTH

September 15 - October 15, 2023

San Diego and Imperial Valley being the closest to our southern border with Mexico than any others in California, Region X is proud to partake in the month-long celebration of Hispanic Heritage. All 9 of our community colleges have been recognized as Hispanic Serving Institutions, which allows for more grants to promote integrated student services. The celebration is recognized across the campuses with varying events such as a Guacamole Competition at Grossmont, an Immigration Legal Services webinar with San Diego Mesa, live Lucha Libre and food at Imperial Valley College, and more! See your campus' event calendar for details.
