### CHAPTER 559

An act to add Chapter 10.5 (commencing with Section 66850) to Part 40 of Division 5 of Title 3 of the Education Code, and to add Section 2148.5 to the Elections Code, relating to public postsecondary education.

[Approved by Governor October 8, 2019. Filed with Secretary of State October 8, 2019.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 963, Petrie-Norris. Public postsecondary education: Student Civic and Voter Empowerment Act.

Existing law establishes the California Community Colleges, the California State University, and the University of California as the 3 segments of public postsecondary education in this state. The missions and functions of these segments are set forth in the Donahoe Higher Education Act.

The Student Voter Registration Act of 2003 requires the Secretary of State to annually provide every high school and University of California campus, and authorizes the Secretary of State to annually provide every community college and California State University campus, with voter registration forms, as specified. The act also requires the California State University and the California Community Colleges to implement a process and the infrastructure to allow a person who enrolls online at the institution to submit an affidavit of voter registration electronically on the internet website of the Secretary of State. The act encourages the University of California to comply with this provision.

This bill would establish the Student Civic and Voter Empowerment Program to be conducted by the Secretary of State, in partnership with the California Community Colleges, the California State University, and the University of California. The bill would require each campus of the California Community Colleges and the California State University, and request each campus of the University of California, (1) to distribute, in consultation with the Secretary of State, campuswide emails to all students with specified voting- and election-related dates and information, and to include specified dates on all print and online academic calendars, (2) to post on social media reminders to students of specified voter-related dates and information, and (3) to designate one person per campus as the Civic and Voter Empowerment Coordinator with specified responsibilities, including developing a Civic and Voter Empowerment Action Plan. The bill would require the Secretary of State to evaluate the program each year, and to report to the Legislature the results of the evaluation on or before January 1, 2021, and annually thereafter. The bill would require the Secretary of State to develop a Students Vote Project to implement these requirements.

By imposing additional duties on community college districts, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

*The people of the State of California do enact as follows:*

SECTION 1. (a) The Legislature finds and declares both of the following:
