Dear Region VI,

Happy New Year! Congratulations on successfully navigating through 2023. As we usher in 2024, I am thrilled to share some exciting news and initiatives that will shape the year ahead.

Firstly, let me extend congratulations to our newly elected Vice Chair, Tollefson, and Treasurer, Wingo. With a complete board in place, we are well prepared to embark on a journey filled with growth and collaboration.

Our primary goal for this year is to introduce informative and inspiring events to campuses across Region VI. These events aim to educate students on various ways to advocate not only for their respective campuses but also for the region as a whole. One such event is the upcoming Resolution Workshop at Ventura College, where students can learn effective advocacy strategies and how to turn their voice into writing that can create statewide change.

These gatherings provide a unique opportunity to connect with students and gain insights into how different communities are represented within our colleges. The diverse perspectives gathered are crucial to navigating the larger landscape of SSCCC, as well as the external resources available to support our collective efforts.

I am passionate about showcasing to students the power of their voices and empowering them to explore avenues of change that extend beyond their local communities. The experiences I’ve had since becoming the Regional Affairs Director for Region VI have been transformative. Prior to my involvement in student government advocacy, I was not engaged in community affairs. When a friend introduced me to the Associated Students of Ventura College, they altered the course of my life and now I am proud to be part of a group of like-minded students dedicated to building and strengthening our community. I hope to influence other students to take that first step and become a tool for students to use to support their careers and college experiences.

I invite all students to join us on this journey of empowerment, exploration, and positive change. Let's make 2024 a year of meaningful impact and growth and I look forward to meeting all the individual groups that make Region VI so unique!

Best Regards,

Marcos Garcia
Regional Affairs Director

Officer Introduction

Elena Fuentes (Santa Barbara City College)

She/Her (ComsRegionVI@ssccc.org)

Elena Fuentes is a student at Santa Barbara City College (SBCC) majoring in Political Science. She serves as the Student Advocate of SBCC’s Associated Student Government (ASG) program and Co-President of the Honors Program. She plans on transferring to a four-year institution to pursue a fulfilling career in the field of family law. She is resolute in her mission to expand EBT access within SBCC and across other community college institutions to uplift and support students in need. Her interests lie in political advocacy and engagement, equal and basic needs access, and creating spaces to amplify student voices. Refer to her point of contact above for questions regarding Region VI’s media and newsletter output!
