LETTER FROM THE RAD

Hello Region VI!

I cannot believe we are halfway through the term already! These past six months were life-changing for myself and the region. We achieved 100% activation, are the top two communications teams statewide, gained a full regional board, and ensured all of our DAs were in person. All of these goals could not have been done without your support as delegates and regional officers. Advocacy Academy was such a blast and I am so grateful that so many of our regional colleges attended. We have so many more goals to accomplish as a region and I aim to foster a more collaborative environment in the future. I hope everyone had a successful end to the semester and I wish you all the best in the upcoming semester. Happy holidays and I cannot wait for the next 6 months with you all!

Sincerely,

Sanjana Sudhir

Regional Affairs Director

REGION VI AFFAIRS

RAD Sudhir and LAD Pai attended the past Board of Directors meeting in December, which occurred in Region II in Sacramento. The Board attended training at the Chancellor's Office that allowed the Board to reflect on the past 6 months, engage in a public speaking activity, and legislative advocacy updates from the Chancellor's office. The Board had their team dinner alongside a white elephant gift exchange and ice skating activity following the dinner.

During the Board meeting, the Board heard presentations from the University of California Student Association, the Communications staff, and about AB 1705/AB 705. The new Board members were sworn in, feedback about Advocacy Academy was discussed, and the elections committee is looking for 2 more students, so please let RAD Sudhir know if you would like to join!

Our region is still top 2 in terms of the statewide communications team, where we are reaching 1.8K people, so Region VI is doing an amazing job so far! Overall, it was a great weekend to represent Region VI at a statewide level.

Thank you, Region VI!

Mighty Region VI,

It has been an incredible honor to serve you over the past few months, and I am beyond excited to continue this journey with all of you in the upcoming year. As we approach the end of 2024, I find myself reflecting on the progress we've made as a region, the challenges we've overcome, and the milestones we've achieved together.

I want to take this moment to express my deepest gratitude for the trust you've placed in me and for allowing me the privilege to serve as your Communications Officer. Your unwavering support, collaboration, and dedication have made all the difference, and I could not have done any of this without each of you. When I look back at my journey—starting as the runner-up for this role after the General Assembly election—I realize how fortunate I am to have been given this opportunity. That setback turned into one of the most rewarding experiences of my life, and it has only deepened my commitment to Region VI and to each of you.

I am incredibly proud of what we've accomplished this year. From strengthening our regional connections to amplifying student voices, we have laid the foundation for a future filled with collaboration, growth, and unity.
