Hello Region VII!

I am Emily Fu, your student intern! I study biology, hoping to pursue the pharmaceutical field.

As we prepare to come back for the spring semester, we will be working to activate more colleges to ensure representation in our region and our upcoming General Assembly. One of our upcoming event is March in March on March 4th, 2025 @ Sacramento! If you can, I highly encourage all of us to be involved in advocacy and have our voices heard. We will be working with our legislative priorities, and meeting with state legislators.

We will be doing more college visits and tabling at campus events! To learn more about General Assembly, the resolution process, or Robert's Rule of Order, please visit [here](#) to put in a request! We are so excited for a new semester with so many opportunities to service you and your college. Take Care!

Sincerely,

Emily Fu
