LETTER FROM REGION I'S RAD

Hello Region I

I hope everyone had a nice winter break and happy holidays. This month has been focused on getting things up and running as all the colleges come back into session. I hope to get my remaining colleges active before the General Assembly at the end of march.

Region I has hit the ground running by approving and forming our regional Legislative Affairs Committee. Our LAD and I have been trying to make this happen for a long time, and I am glad to finally see it come to life.

I hope everyone has started thinking about their plans for attending General assembly as registration and hotel information is up on SSCCC.org. There will also be a online option for those who cannot make it to Long Beach, however this will only contain the general session of the event.

Thanks,

John Foucault

Regional Affairs Director
