

Rising to the Challenge: *Creating a Movement for Change*

THE SSCCC NEEDS YOUR SUPPORT!

The Student Senate for California Community Colleges (SSCCC) events bring together student leaders from the 116 California Community Colleges. At the Professional Development and Leadership Event, attendees gather tools and tips on how to be effective student leaders, representatives, and advocates. Students have the opportunity to network with student leaders across the state, learn about current initiatives, and identify opportunities to become involved with the SSCCC.

The SSCCC depends on sponsors to keep the registration fee low so that more student leaders have the opportunity to participate in leadership development, personal growth, and advocacy training. Your generous support will provide the opportunity for more students to participate in student leadership.

SSCCC is a 501(c)3 Organization.
