*Hello Everyone!*

My name is Lawrence Ortiz and I am excited to introduce myself as your new Regional Affairs Director. I am a student at Mendocino College achieving my Associate for Transfer in Business Administration. I am eager to meet new people and work together to achieve our regional goals. As I step into this role I will focus on building strong relationships, open communication, and maintaining a collaborative environment where everyone's ideas and contributions are valued.

Our region is unique and the distance between colleges presents us with challenges. I believe that working together we can improve on bridging the gap between us while continuing to make a positive impact in the communities we serve. I am committed to supporting all students and ensuring that our team has the resources and guidance to succeed. I welcome your feedback, ideas, and insights, and look forward to the journey ahead.

Please feel free to reach out to me anytime, whether it's to discuss a project, share an idea, ask a question, or just say hello. I'm here to support and help all students thrive in our endeavors.

Thank you so much for the warm welcome, I look forward to working with you.

*Sincerely,*

*Lawrence Ortiz*
