LETTER FROM THE RAD:

Hello Region VI!

Happy February! I hope all of you are easing into the semester well and enjoying the start of the spring! This past month has definitely been busy for Region VI and a bit stressful for myself. We had two delegate assemblies and thank you to all of you for being so flexible. Our internal committees are still going strong, but please be sure to attend them or send your alternate so we don't lose quorum. February is definitely busy as we are preparing for regional summit, our upcoming delegate assembly, and campus visits. Thank you all for your hard work and I am here for you always!

Sincerely,

Sanjana Sudhir

Regional Affairs Director

Currently, I'm looking at a options for raising money for our region in the future, as well as creating cash flow estimates for March in March and General Assembly later on as we veer closer to the finale of Spring 2025!

BOARD OF DIRECTORS REPORT:

RAD Sudhir and LAD Pai attended the past Board of Directors meeting in February, which occurred in Region VIII in Santa Ana. The Board engaged in training at Santiago Canyon College, where we sponsored 4 bills, sponsored 5 resolutions, and engaged in 9+1 training.

The Board has team dinner with the Academic Senate for California Community Colleges (ASCCC), which was a nice bonding opportunity. During the Board meeting, the Board reported out about the 2023-2024 audit, discussed General Assembly, elections process, listened to a research proposal, approved a new Brown Act policy, and much more! Overall, it was an amazing weekend to represent Region VII!
