Announcement

Hi Advisors,

With just 18 days to go until Advocacy Academy, we're excited to see you in Sacramento! If you haven't registered yet, there's still time. However, please note that our special room rate at the Sheraton Grand Hotel is no longer available, so be sure to make your hotel arrangements as soon as possible. You can register [here](#).

Additionally, you have one more day to encourage your students to vote in tomorrow's general election. Let's empower our California Community College communities to make their voices heard at the polls!

Also, expect to receive a survey from our Executive Director about the Student Representation Fee. This survey will gather important information to help enhance student participation in governance. Your input is valuable.

Delegate Verification

Thank you to everyone who has identified delegates and alternate delegates to represent your region! A special shoutout to Region VI for being the first to achieve full delegate activation! If you haven't designated a delegate yet, please reach out to our region's student interns for assistance. You can find their information [here](#).

Special Shout Out

A special shout-out to Regions V and VIII for leading the way in the Ballot Bowl Competition for California Community Colleges! Currently, Mt. San Antonio College is in the lead with **496 students** registered to vote, followed closely by Bakersfield College with **404**, and Fullerton College in third place with **364**.

Keep up the fantastic work! For more details, visit the [California Ballot Bowl](#).

Quarterly Meetings

Our first quarterly meeting is scheduled for November 6 at 11:30 AM. If you haven't registered yet, please take a moment to fill out this [quick survey](#). We hope to see you there!
