President's Update

Dear SSSCC Family,

As we approach the final days of 2024, I want to take a moment to pause, reflect, and share my immense gratitude for each one of you. These last six months have been filled with challenges, successes, and progress that would not have been possible without your unwavering dedication, passion, and support.

It has been an honor to represent the over two million California community college students. Thanks to your tireless efforts—your advocacy, leadership, and resilience—we achieved so much together this year.

We have made great strides toward building a more inclusive, equitable, and accessible community college system:

- We stood strong in advocacy efforts across the state, raising student voices and addressing the pressing issues facing our most underserved populations.
- Our regional and statewide events brought us closer together as leaders, sparking meaningful conversations and change.
- And at every step, you've demonstrated what it means to be changemakers—fighting for justice, progress, and opportunity for all.

None of this would be possible without the incredible work of our SSSCC Board of Directors and staff, student leaders, partners, and advocates who believe in the power of student voices. Thank you for continuing to show up, collaborate, and make an impact.

Happy Holidays and Happy New Year from the SSCCC! We hope this time of year brings you joy, warmth, and cherished moments of celebration. As we close out the year, we look forward to all that lies ahead. Wishing you a joyful holiday season and a prosperous start to the new year!

As the year winds down and finals draw to a close, I want to remind you to take a break. You worked hard, and now is the time to rest, recharge, and reflect on your progress. The holidays are an opportunity to reconnect with yourself, your loved ones, and your purpose. Take pride in your accomplishments, big or small, and allow yourself the space to dream about what's to come.

As we look forward to the new year, I encourage you to reflect on these words: *"The best way to predict the future is to create it."* Your leadership and advocacy are creating the future we all believe in.

On behalf of the Student Senate for California Community Colleges, I want to wish you all a joyful, restful, and peaceful holiday season. Please take care of yourselves—you have more than earned this time to recharge.

Thank you for inspiring me every day, for showing up, and for believing in the power of what we can achieve together. I am truly honored to serve as your President, and I look forward to all the incredible work we will accomplish in the year ahead.

In solidarity and gratitude,
Ivan Hernandez

President, SSCCC
