Announcement

Hello Advisors,

I hope your back-to-school season is off to a good start!

I'm excited to share that early registration for Advocacy Academy is now open! You can secure your spot using [this link](#) by September 22 to take advantage of [early registration](#). Last year, we had over 400 attendees, and we're looking forward to an even larger turnout this year. Together, we can continue to strengthen and empower the California community college system!

Additionally, our former president, Cassandra Flandre-Nguyen, presented the SSCCC Annual Report at the CCC July Board of Governors meeting. To learn more about our achievements and ongoing initiatives, [please check out this link](#).

Delegate Mandatory Training

This year, the SSCCC will be hosting a training for all delegates who have been verified or interested in serving as a delegate. This webinar will share with delegates their roles and responsibilities, as well as provide some background information about SSCCC, Robert's Rules, and Brown Act. If your delegate has been verified, they are required to attend this meeting as part of their responsibility. Please also invite students who are not the delegate but are interested in serving as one in the future. This will provide them with what to expect if they are appointed/elected to serve.

Date: September 5, 2024
