OUR TIME IS NOW!

Vacant Positions

We're nearly at full capacity, but we still have an exciting opportunity available! We are currently seeking an intern in **Region IX**. If you know a student who would be a great fit, please encourage them to apply!

This paid internship offers fantastic opportunities for networking and skill development. For more information about the position, please refer to the **job description**. Thank you for helping us find the right candidate!

Delegate Verification

A friendly reminder to please identify your college's delegate and alternate delegate. If you haven't done so yet, we encourage you to prioritize this task to ensure your college is adequately represented. Please remember to check your bylaws, as the president of your Student Body Association may be designated as the official delegate.

Once you've identified your delegates, please complete the **Delegate Verification Form**. Our interns have sent out an email to gather the necessary information, so if you haven't responded yet, kindly check your inbox and reply at your earliest convenience. Your prompt attention to this matter is greatly appreciated!
