LETTER FROM THE INTERN

Jacob Roe

STUDENT SENATE FOR CALIFORNIA COMMUNITY COLLEGES

1121 L Street, 600
Sacramento, CA 95814
<http://www.studentsenateccc.org>

Hello Everyone!

My name is Jacob Roe, and I am the Region II Student Intern for the 24-25 term. I currently attend Sierra College and double major in Political Science and Anthropology. Upon earning my associate's degrees, I plan to matriculate into a 4-year institution, furthering my studies in political science. My long-term goal is to practice Tribal Law, advocating for Indigenous peoples' sovereignty throughout Turtle Island.

At Sierra College, I currently serve as the president of the Native Americans of Sierra College club, the Director of Campus for the Associated Students of Sierra College (ASSC), and a Native American Peer Leader. As a student leader myself, being able to empower constituent voices within Region II is truly a gift and I am incredibly grateful for it.

In my role, I am deeply invested in supporting the student leadership within Region II and look forward to advancing community college students' voices both at the local and regional level.

Kindly,

Jacob Roe

Region II Student Intern
