Make student voices matter! As the Congressional midterm elections approaches, the SCCC believes it's of utmost importance to empower student voices in our democracy. Ultimately, legislators are motivated by voting pressure which is why student civic engagement helps push legislation that helps students! The SCCC aims to conduct several voter registrations events in campuses all across the state! Registering to vote and getting involved is a direct way you can help pass good student policy! For any questions, please email [LAD Jerry Vakshlyak](mailto:LADJerryVakshlyak): LADregioniv@sccc.org.
