# LETTER FROM REGION I'S RAD

Hello Region I,

Every week Region I becomes more active than the last. I am excited to see the delegate positions fill out and see interest in the region continue to grow. This month we will be holding elections at our Delegate Assembly for all of our vacant positions on our regional board, which is very exciting. My main goal is to fully activate Region I, and I believe we are on track.

Recently the SSCCC held our annual Professional Development event, where the Delegates elected our Vice President. We also had a variety of interesting workshops that helped student leaders develop their skills and learn how to make their voices heard. So thank you to all of the Delegates and students that participated, it truly was a great event, and I cannot wait for General Assembly in the Spring.

If you have any questions for me, please do not hesitate to contact me!  
My email is [radregioni@ssccc.org](mailto:radregioni@ssccc.org).

Thanks a bunch,  
*John Foucault*  
*Regional Affairs Director*

## **Indigenous Peoples' Day**

On Monday, October 10, 2022, Region I celebrated Indigenous People's Day. Indigenous Peoples' Day is a chance to celebrate the rich cultures and history of the indigenous peoples of America. Here in Region I, we are home to many native groups, including the Pomo, Yurok, and Maidu peoples, just to name a few. We hope that you take this opportunity to educate yourself on the histories and cultures of the native peoples in our areas and learn about the issues that Native Americans face nationwide.
