LETTER FROM THE RAD

David Duncan

STUDENT SENATE FOR CALIFORNIA COMMUNITY COLLEGES

1121 L Street, 600
Sacramento, CA 95814
<http://www.studentsenateccc.org>

Hello Everyone!

I hope you're all staying safe and having a strong start to the semester. I am David Duncan, and I'm honored to serve as your Regional Affairs Director for this year.

Over the past weeks, our region has endured the devastating impacts of the Palisades and Altadena wildfires, and my thoughts are with all those who have been affected. These fires are another reminder of the climate crisis our communities face – and the urgent need for advocacy on behalf of students dealing with displacement and loss. If your campus or peers need resources or support, please don't hesitate to reach out. I want to make sure we're all helping one another through these difficult times.

This semester, we have an opportunity to shape the future of student advocacy at the SSSCC General Assembly in Los Angeles from April 3rd to 6th. This is where students from across California will come together to debate policies, vote on resolutions, and decide our collective priorities for the coming year. We'll also elect next year's SSSCC board of directors. If your college isn't involved yet, now is a great time!

We'll also be visiting colleges across the region, hosting delegate assemblies, and helping schools strengthen their connection to SSSCC. If you want to learn more about General Assembly, the resolution process, or ways to get involved, please reach out to me at radregionvii@ssccc.org – I'd love to connect. Let's continue to support each other and make real change happen.

Sincerely,

David Duncan

Regional Affairs Director
