# LETTER FROM THE RAD

*Chris Chandler*

*Hello Region X,*

My name is Chris Chandler, and it's my honor to serve as the Regional Affairs Director for Region X. I'm a student at Southwestern College majoring in Business Administration, with the goal of transferring to a university in the future.

Region X is a rich and diverse student community with over 200,000 students served at the 10 different colleges across the region. During my term as Regional Affairs Director, my focus will be building connections with each of the student body associations of our region and supporting their leadership and advocacy efforts on behalf of their students.

By fostering a culture of collaboration, student leaders in Region X will have the opportunity to learn from each other and develop their skills as advocates. I'm excited to work with everyone and I wish all students in our region an incredible academic year! If any person reading this letter has any thoughts, questions, or ideas they would like to share with me about Region X, please do not hesitate to email me at [radregionx@ssccc.org](mailto:radregionx@ssccc.org)!

Thank you for your support! Let's have an amazing year!

*Sincerely,*

*Chris Chandler*

*Regional Affairs Director*
