## Announcement

Hello,

My name is Jessica Bahena-Rance, and I am the Director of Outreach and Communications at SSCCC. I joined the team in June 2024 and I am looking forward to meeting you in person in the near future.

Prior to joining SSCCC, I managed issue-based campaigns, electoral campaigns, and mobilized diverse communities to advocate on issues ranging from education and housing affordability to immigration rights and other social justice causes. I am deeply passionate about advocating with and for the 2 million students in the California Community College system. As a first-generation student, I am committed to elevating the voices of students. I have witnessed firsthand the tremendous impact that empowerment and opportunities to build collective power can have.

As I embark on this journey with SSCCC, I want to be as accessible as possible. If you have any questions or would like to receive training on Roberts Rules, the Brown Act, or other topics including those listed on our [website here](#), please don't hesitate to contact me at [jbahena@ssccc.org](mailto:jbahena@ssccc.org) or fill out our [Training Request Form](#).

# Events

Please encourage your students to join us for these two important events:

## Student Government Bootcamp

Are you seeking training for your new student leaders as they begin the year? We will be hosting an SBA Webinar on Brown Act, Roberts Rules, and 9+1. All students are invited. Ensure your student leaders begin the year with a background in these three important areas.

**Date: August 29, 2024**

**Time: 3:00 PM - 5:00 PM**

## Delegate Mandatory Training

This year, the SSCCC will be hosting a training for all delegates who have been verified or interested in serving as a delegate. This webinar will share with delegates their roles and responsibilities, as well as provide some background information about SSCCC, Robert's Rules, and Brown Act. If your delegate has been verified, they are required to attend this meeting as part of their responsibility. Please also invite students who are not the delegate but are interested in serving as one in the future. This will provide them with what to expect if they are appointed/elected to serve.

**Date: September 5, 2024**
