I'm excited to announce that [regular registration for Advocacy Academy](#) is now open! This dynamic event offers a fantastic opportunity for students and stakeholders to network and explore innovative ways to amplify our voices and enhance the college experience. Please encourage your students to take part in this engaging event. We look forward to seeing you in Sacramento on November 22, 2024!

In addition, we invite all 116 community colleges and 117 member senates to participate in the [Ballot Bowl](#) to ensure student voices are heard during the upcoming general election. To support your engagement, SSCCC is hosting two informative webinars:

These webinars will also feature a raffle, so please encourage your students to attend and gain valuable insights into important deadlines and strategies for effective voter outreach. Our interns will host tabling sessions and distribute campus flyers to drive voter turnout. If you'd like more information about these efforts, please contact your region intern by clicking [here](#).

Lastly, today marks the last opportunity to nominate a student for the California Community Colleges Student Senate position on the Board of Governors. We strongly encourage you to consider a deserving student for this important role.
