## LETTER FROM OUR TREASURER

**Region X, this month has been busy in the best way possible —with March in March, our General Assembly, and Federal Advocacy all happening in one packed month, it really showed the strength and dedication of our student leaders. As your Treasurer for Region X, it's been incredible to see how engaged and passionate this region continues to be, even during such a demanding stretch. I'm beyond grateful for the collaboration, support, and trust you've all shown throughout this time. It has truly been an honor serving all of you, and I'm proud of the work we continue to do together for students across Region X.**

*Sincerely,*

*Arash Navaey*

# WOMEN'S HISTORY MONTH

## "Ain't I a Woman"?!

Women's History Month is a time to pause, reflect, and celebrate the women whose leadership, resilience, and compassion shape our communities every day. At SSCCC, we are especially grateful for the incredible women across Region X who lead with purpose, uplift others, and make a lasting impact through their work and service. We are also thankful for the support and leadership of our wonderful Dr. Adams, whose commitment to excellence helps create space for women to thrive. As we honor women around the world this month, we celebrate their stories, their strength, and the countless ways they continue to move us forward—together.
